Jan. 10-14, 2011**

The Hutson School is a comprehensive day school dedicated to educating and equipping students with language learning differences to become competent and confident lifelong learners.

Annual Giving Update:

As of January 14, 2011, Hutson has received **\$75,000** for annual giving. Our goal is to raise **\$150,000.00** !

We have received 100% participation from our parents, teachers and board members. Thank you so much. Now our job is to reach out to friends, aunts, uncles, dentists, doctors, psychologists, and others who might also be able to help us reach our goal. It surely takes a village!

**Hutson is closed this
Coming Monday, Jan. 17
In observance of MLK Jr. Day**

We welcome Max to Hutson. Max is a student in Mrs. Smith's room.

Everyone these days is in the posture of learning! Of course our students always are learning. Every moment is a teachable moment. But did you know that many of our Hutson parents are learning at Hutson as well? Mark your calendars and be sure to attend the next learning opportunity by hearing our highly requested presentation "Realistic vs. Unrealistic Expectations of the LD Student". Join other parents who want to learn more about LD and what to expect.

When: Friday, January 21st

Time: 8:30 a.m.

Location: Sanctuary

Please RSVP at 377-0544. Thank you.

Stars of the Week
Congratulations to the following students who have been awarded Stars of the Week.

Jalen Ernesto
Enrique Jack
Katie

We are so proud of you!

Did you know? Indiana officials look at 2nd graders who are not reading on grade level when planning for prison cells for when these students reach adulthood. Californian officials look at their 4th graders. This is a very sad tidbit of information. Thank goodness for Orton-Gillingham to help children learn to read.

**THANK YOU TO ALL OF OUR
VOLUNTEERS THIS WEEK!!!!**
