Cele"Brain"tion

Let's Celebrate!

Our production "Cele'Brain'tion" was outstanding. We exceeded our goal of performing for 500 audience members! Hutson students performed for over 700 people during our week of performances. I am extremely proud of our students, teachers, parent volunteers, and, last but not least, Mrs. Pappas! Hutson Hoorays to them all!

Yours for Hutson,
Mrs. George

Did You Know?

Here is an interesting fact you probably didn't know about our play. When Mrs. Pappas was looking for her Crayon puppets she went online and decided to go with a company called *Puppet In a Pail*. What she didn't know is these puppets were created by Andrew Olsen, a 15-year-old boy who has DYSLEXIA. Also, he attended a school just like Hutson for four years. The best part of the story.....we were his first client!!!! His picture will be added to our "Wall of Fame". You can go to his website at andruppets.blospot.com
